PRIVATE LESSON POLICIES

Class Structure: Each lesson is carefully structured to teach new skills, improve existing techniques and encourage productive practice for students. There will be a warmup, review of previous lessons or skills, addition of new material and homework to continue growth. Students are expected to complete assigned tasks and practice outside of lessons in order to progress. Failure to do so can result in private lesson termination.

Attendance: All lessons are 30 minutes. Instructors use every minute of these lessons and depend on students' promptness to get through all the lesson material. Students are expected to arrive on time and if they are more than 10 minutes late without communication prior, the lesson is counted as a no call/no show and will be charged for the entire lesson. Absences confirmed more than 24 hours in advance can be canceled with no fee depending on circumstances. Chronic tardiness or absences can result in private lesson termination.

Materials Required:

- Water Bottle
- Folder or notebook for homework and teacher notes
- Happy attitude and willingness to try new things!

I agree to these policies and understand that lessons are conditional on my adherence to these guidelines:
